Equality Aims and Objectives

At Suffolks Primary School, we are committed to ensuring we:

1. Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act. By removing or minimising disadvantages suffered by people due to their protected characteristics.

2. Advance equality of opportunity between people who share a protected characteristic and those who do not. By taking steps to meet the needs of people from protected groups where these are different from the needs of other people.

3. Foster good relations between people who share a protected characteristic and those who do not. By encouraging people from protected groups to participate in public life or in other activities where their participation is disproportionately low.

Our school curriculum has been designed to ensure all members of our community see themselves within our curriculum. One of our core curriculum drivers is 'diversity' which we have used to ensure all curriculum areas represent our diverse community.

Our School has considered how well we currently achieve these aims with regard to the eight protected equality groups: race/disability/sex/gender reassignment/age/pregnancy and maternity/religion and belief and sexual orientation.

In compiling this equality information, we have:

Identified evidence already in the setting of equality within policies and practice and identified gaps

Examined how our setting engages with the protected groups, identifying where practice could be improved
