**Year 3**  
**Autumn 2020**

**English**

In English, we are looking at the stories 'The Stone Age Boy' and 'Ug'. We will be writing our own setting descriptions.

We have linked this with our topic so the children are looking at the history behind the Stone age to the Iron age. We will be doing some cave paintings and making some outdoor caves!

**Reading**

We will soon be sending out your new AR books ready for you to read and complete the quiz at home. Please remember your book bags every day.

**Maths**

In Maths we are learning how to partition 3-digit numbers into Hundreds, Tens and Ones. We are then going to be using our knowledge of partitioning to add and subtract numbers. Then we will be moving on to multiplication and division.

**Science**

In Autumn 1, we will be learning about Rocks and Soils. We will be comparing and grouping different kinds of rocks, describing how fossils are formed and looking at how soil is made.

**DT**

We will be looking at moving parts in storybooks and creating our own moving parts. We will also be learning about famous British Inventors and investigating their inventions.

**RE**

Our RE focus for this term is the Hindu story of Diwali. We will be reading the story together and finding out why Diwali is a special celebration for Hindu's. We will also be reading stories about Jesus from the Christian Bible.

**French**

Bonjour! We are all looking forward to starting French this term in Year 3! We will be learning how to ask basic questions such as What is your name? along with colours, days of the week, Months of the year. We are all very excited!

**PSHE**

Our PSHE focus for this term will be 'Being Me' and having the children celebrate their uniqueness! We will also continue to look at how we are staying safe in and around school.
