NEWS AND UPDATES

The first of our new classes for Autistic Children is now open. We already have some of our previous pupils started and next week they will be joined by some new children and families.

Our second class will open in 2026.

We are really excited about having these specialist provisions and the opportunities it will bring to the whole school. So far we have had a soft play room installed, our sensory room has lovely new equipment and next week there will be a new installation of something everyone loves on the field. It's a SURPRISE!!!!

REMINDERS

Can we remind you NOT to approach other parents with concerns about their children's behaviour. There are many reasons why this is just not appropriate but the main reasons are

- You will have only heard from your child and this may not be the full picture
- You may get an angry response from the other parent, which is then witnessed by the children, causing them anxiety
- Families face many challenges and children all have different needs, and have faced different issues at home. Talking to some parents about concerns needs a certain sensitivity that other parents may not be aware of.

Please ONLY raise concerns with your child's teacher.

Parents that continue to do this will be asked to bring and collect their child at different times, so as to not be in the playground with other parents. Thank you for your support with this

Anti Bullying Week

2025 Theme: Power for Good
November 10th – 14th

Suffolks Primary took part in Anti-Bullying Week, focusing on helping children understand what bullying is, how to recognise it and what to do if they experience or witness it. We began with Odd Socks Day to celebrate uniqueness and individuality.

Throughout the week, children learned about the difference between bullying and general unkind behaviour, explored what kindness looks like and reflected on how their actions affect others.

We ended with a special assembly where we revisited our school acronym BOO:

Being mean,
On purpose,
Over and over,

which we use at Suffolks, to help pupils define and remember what bullying is.

Families are encouraged to continue these conversations at home by talking about kindness, discussing positive friendships, encouraging empathy and revisiting our BOO message together.

AFTER SCHOOL SPORTS CLUBS

We are currently running a number of clubs after school that are FREE for all children.

Some of these clubs are not well attended and we would like the children to make the most of these FREE sessions. If you would like your child to join one of the clubs, please call the school office 02088041534 or pop in and speak to Julia.

Monday – Multisports R, Y1 & Y2 (spaces)
Tuesday – Football Y3 – 6 (FULL)
Wednesday – Football R, Y1 & Y2 (spaces)
Thursday – Football Y3 – 6 (FULL)
Friday – Multisports Y3 – Y6 (FULL)

If you have any suggestions or comments about our afterschool clubs, to help us to improve what we offer, please email

YAY!

Well done Reception

Did I help my class to reach our target?

Attendance from September 2025

GREAT ATTENDANCE IS IMPORTANT

When you come to school every day, you build friendships, learn new things, and start habits that last a lifetime.

Showing up helps you feel safe, make friends, and discover just how much fun learning can be

Regular attendance in the early years lays the foundation for confidence, success, and learning well

School isn't just about reading and numbers – coming every day helps your smile, your confidence, and your future.

Parking on Hammond Road

Please could we ask that you do not leave your cars in the middle of the road, or double park when using the Hammond Road entrance.

Please be more considerate of our neighbours, who are raising this concerns about parking with us.

We would like to keep the Hammond Road entrance open as we know many of you prefer to use this gate.

Thank you for supporting us with this.

THANK YOU

We have seen a real improvement in children wearing the correct uniform. They look so smart!
