

Arrivals and Departures

To ensure the continual supervision of children, all children must be signed in and out of our care by an adult.

Children must be signed into Breakfast Club from 8:00am. From Breakfast Club a member of staff will escort children to the class line where their teacher will meet them and mark their attendance on the school register.

At the end of the school day, Reception children are escorted and signed into Tea Time Club by a member of the EYFS team. Year 1- 6 are sent directly to Tea Time Club from their class. All children are then marked on a Tea Time register and must be signed out by an adult on collection.

Late Arrivals and Collections

Breakfast is served between 8:00am - 8:30am. Please note that if your child arrives after this time, we will not be able to provide your child with breakfast. Please note even if you arrive late, you are still required to pay £3/£2 for using out of hours provision.

Tea Time Club children are to be collected by 5:30pm. If you will be late to collect your child you will need to phone the Club's mobile to advise them.

If you are late in the collection of your child you will incur a £5 fee and on the second occasion lose your place. In the event that a child is not collected and we are not able to make contact with you we will inform the police and/or Children's Services.

Equal Opportunities

For more information please see Suffolk Primary School Equality Policy. We aim to cater for the individual needs of all children in our care. If your child has specific needs, please organise a time to speak with the manager in order for us to assess whether or not we can offer a place to meet their need.

Behaviour

Staff encourage positive behaviour through praise and appreciation of children's achievements. The principles outlined in the Suffolk Primary School Positive Behaviour Policy are adhered to in both clubs. Appropriate sanctions will be applied where children do not adhere to instructions from the staff, for example, time out from activities, parents informed (verbally and written where appropriate) and, in the unlikely event that they continue to display inappropriate behaviour, permanent exclusion will be applied.

Medical Conditions

Please ensure that you include all relevant information on the registration form concerning your child's allergies and any specific medical needs.

Complaints

We aim to deal with all complaints by mutual agreement within the club; please discuss any concerns first with the School Business Manager. Should you feel that your complaint has not been adequately dealt with or is of a particularly serious or sensitive nature, you should follow the Complaints Procedure as outline on our school website.
