

Welcome to our KS1 Class– Blossom Class.

Key Information

Our school day starts at 8:45am and ends at 3.30pm.

If for any reason, your child is unable to attend the SLRB please call the school office and speak to Julia or Sara on 020 8804 1534

jwilliams@suffolks.enfield.sch.uk

Before your child starts here we will ask you to complete some paperwork which will include questions about lunches, medicines and allergies and permissions for photos.

Written permission is essential for administering of any medication.

Please keep us informed of any changes.

Your child can either bring a packed lunch or have school dinners. School dinners are payable by Parentpay.

Children attend the SLRB in their normal school uniform. We provide a Suffolks jumper for them to wear and keep in the SLRB . We have found that this helps the children to feel part of the Suffolks community.

If you would like to request Transport for your child there is a form to complete online. Please ask your home-school to support you with this if needed.

In Blossom Class you will meet....

Speech and Language Resource Base KS1

Welcome to our Speech and Language Resource Base (SLRB).

My name is Jackie Lynch and I manage the Resource Base.

Our SLRB provides an intensive learning environment for learners with a developmental language disorder (formerly speech and language impairment.)

It is a part-time provision in which teachers and Speech and Language Therapists (SALT) work closely together to provide support for children from across the borough.

We have a Key Stage 1 and a Key Stage 2 class. Children attend for an initial assessment placement for 2 terms. At the end of these 2 terms we hold a review with all involved to discuss their progress and possible continuation at the SLRB

We aim to provide our learners with a toolkit of self help strategies to enable them to transition back to home-school full time

As part of our offer for the children the teachers provide termly outreach support at their home-school. At times, the SALT will visit them in their home school also to further support their language skills

A day in the life of Blossom Class includes:

- Phonics and guided reading
- Maths
- Snack time
- Circle time
- Topic based activities

All of our sessions have an emphasis on developing speech and language skills

Some of our topics have included:

Space

Under the sea

Explorers

Toys

What do the children say about the SLRB?

"I like to come to Blossom class because the topics are fun! We learnt about dinosaurs and they are my favourite."

"In Blossom class we have lots of fun!"

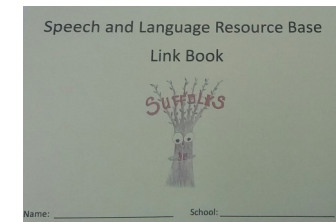

"I like making lots of new friends when I come here."

"We do lots of laughing and fun things."

"I learn how to ask questions and new words".

For the child's placement to be as positive and beneficial as possible it is important to develop a working partnership between the SLRB, Home and School.

We provide a link book to be used as a means of communication between the SLRB, Home and School.

How family can help

- ⇒ Encourage your child to talk about events
- ⇒ Allow them thinking time to respond
- ⇒ Support your child in asking questions to support their learning e.g. Please can I have some help? Please can you say that again? What does that mean?

How school can help

- ⇒ Visit SLRB once the child has settled
- ⇒ Implement shared resources in the classroom
- ⇒ Follow suggestions provided with Speech and Language targets
- ⇒ Share targets and resources with all relevant staff
