Getting Involved

We have a friends association of which all parents are automatically members. The FOSS organises a variety of social and fundraising activities which have included a range of events such as themed discos, bingo, Christmas Bazaar and Summer Fete.

We are grateful to FOSS for the additional funding that this brings to the school. Recently they have contributed an amazing £5,000 towards the building of a new School Hall Stage.

If you would like to offer your help please make yourself known to any member of the association (please ask at the school office for the names of current committee members)

Attendance and Punctuality

We do all we can to promote regular attendance and punctuality as it is vitally important for your child's progress. Help us by making sure that your child is in school, unless ill, and is always on time.

If your child is unwell, please phone the school office as soon as possible to let us know why they are absent.

Should your child be unavoidably late, please register them at the school office.

If you need to collect your child before the end of the school day, you will need to sign them out at the school office.

Children will only be called from their class once the parent has arrived to ensure as little disruption as possible to their learning time.

School Dinners and Packed Lunches.

Your child may have a school lunch, bring a packed lunch or choose to go home for lunch.

Our kitchens provide a daily choice of appetising and nutritious meals. These are cooked on site in our own kitchens and are served in our dining hall.

If you are in receipt of benefit you may be eligible for free school meals, either a cooked meal or school packed lunch. We urge you to apply for these even if your child prefers a packed lunch from home.

Some families prefer their children to bring a packed lunch, in which case we would ask that the food is adequate to sustain a growing child. As a school we promote healthy eating and therefore ask that sweets and chocolate are not included in packed lunches. Drinks should be in a plastic container, or carton. Each child should have a lunch box with his/her name and class clearly marked. These are stored on trolleys until lunchtime.

Dinner money should be paid through ParentPay or at a PayPoint. Parents wishing to pay termly / half termly will be given prior notice of the amount due and credits are allowed if your child is absent.
