

HELPING YOU TO UNDERSTAND WHAT IS IMPORTANT AT SUFFOLKS

Suffolks is a community of learners working together creatively to achieve excellence, enjoyment and life long learning. This is our school ethos statement and is the basis for all we do at Suffolks.

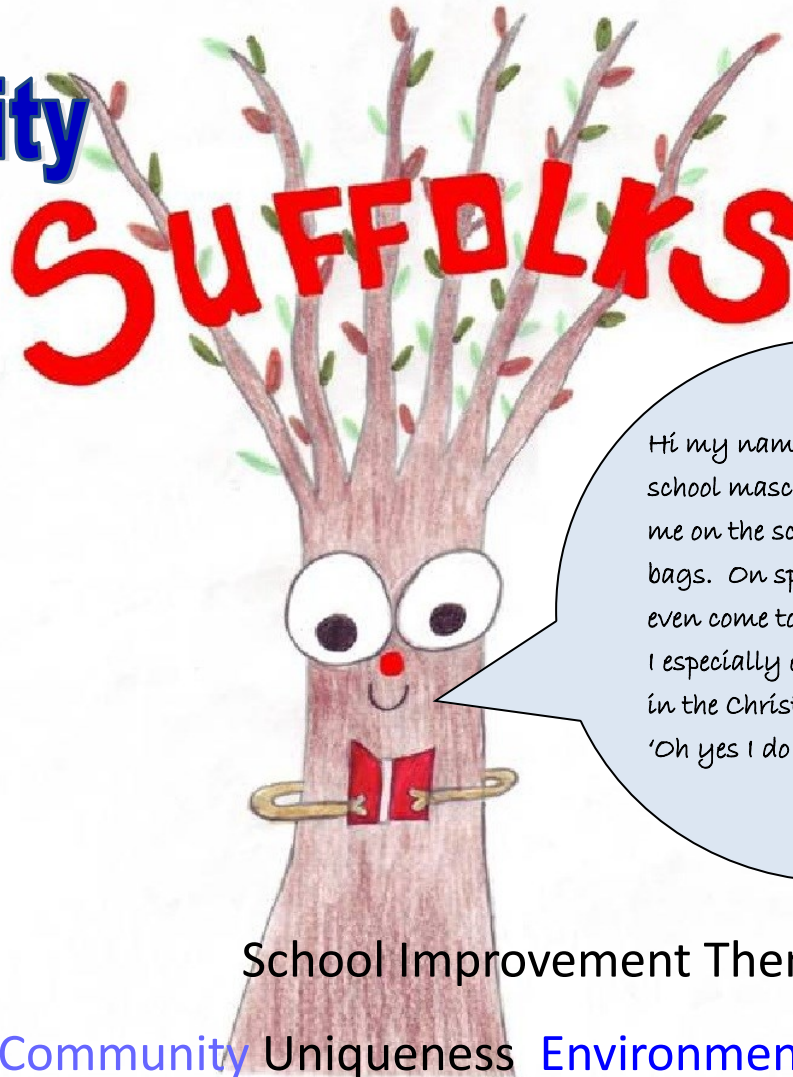

Responsibility

Friendship

We have 4 school values which we expect all at Suffolks to demonstrate.

Excellence

Respect

Hi my name is Felix. I am the school mascot. You will find me on the school uniform and bags. On special occasions I even come to visit the children. I especially enjoy taking part in the Christmas pantomime. 'Oh yes I do!'

This is our school aim.
We always try to do our best and to improve.
We already know that our school and our children are great but we are always thinking about ways in which we can demonstrate how 'amazing' we are too.

**FROM
GREAT
TO
AMAZING**

School Improvement Themes

Community Uniqueness Environment Success

We use these themes to plan for improvements and to ensure that all at Suffolks have an understanding of what areas are important to us
